Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Power: 5kW-3000kW
- Cooling System: Air/Water
- Speed: 1500rpm/1800rpm
- Starting System: Electric/Manual
- Frequency: 50Hz/60Hz
- Fuel Tank Capacity: 50L-1000L
- Fuel Consumption: ≤210g/kw.h
- Phase: Single/Three
- Highlight: **50Hz Single Phase Silent Generator,
60Hz Single Phase Silent Generator,
220V cummins industrial generator**

Product Description

Product Description:

Silent Type Diesel Generator Set has become a popular choice for those who seek reliable and cost-effective power generation solution. Our Silent Type Diesel Generator Set offers excellent performance, high reliability and low fuel consumption, with power ranging from 5kW to 3000kW. It is equipped with an Electric or Manual starting system, and running at 1500rpm or 1800rpm, with fuel consumption rate $\leq 210\text{g/kw.h}$. It is also equipped with fuel tank capacity ranging from 50L to 1000L.

We are dedicated to providing you with the highest quality Silent Type Diesel Generator Set, with superior performance, high reliability and low fuel consumption. Our advanced Diesel Generator Set can meet your power requirements in a variety of applications. Whether you're looking for a reliable standby power for your home or business, you can always count on our Silent Type Diesel Generator Set.

Features:

Product Name: Silent Diesel Generator

Cummins Power Diesel Generator: Yes

Diesel Generator Set: Yes

Open Silent Type Diesel Generator: Yes

Fuel Tank Capacity: 50L-1000L

Net Weight: 500kg-3000kg

Dimension: 1000*800*1200mm

Speed: 1500rpm/1800rpm

Phase: Single/Three

Technical Parameters:

Parameter	Value
Type	Open Silent Type Diesel Generator Set
Noise Level	$\leq 85\text{dB(A)}$
Frequency	50Hz/60Hz
Net Weight	500kg-3000kg
Starting System	Electric/Manual
Voltage	220V-440V
Warranty	1 Year
Fuel Consumption	$\leq 210\text{g/kw.h}$
Fuel Tank Capacity	50L-1000L
Dimension	1000*800*1200mm
Speed	1500rpm/1800rpm

Applications:

Silent Type Diesel Generator Set

Minlong Brand Diesel Generator is of China Origin with ISO9001 Certification. The price is Negotiable and it is packaged in a Wood Case. Delivery time is within 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union and MoneyGram. The supply ability is 1000 pieces per week. It has an Air/Water Cooling System. It has a 1 Year Warranty and it has a Power of 5kW-3000kW. Dimension is 1000*800*1200mm and Voltage is 220V-440V.

Customization:

Customized Service for Silent Diesel Generator

Looking for a reliable Silent Diesel Generator? Minlong provides you with the perfect diesel generator set solution. Our open-type silent diesel generators use Cummins power and feature a cooling system with air/water. With ISO9001/CE/SONCAP/EPA certificate, Minlong's silent diesel generators come in single or three-phase models with a fuel consumption rate of $\leq 210\text{g/kw.h}$.

Minlong is a Chinese brand based on ISO9001 certification. Our silent diesel generator sets are available in 1000*800*1200mm dimension, with a minimum order quantity of 1 and price available for negotiation. Packaging details are wood case and delivery time is 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, MoneyGram. We have a supply ability of 1000 pieces per week.

Support and Services:

Silent Diesel Generator Technical Support and Service

We offer comprehensive technical support and service for Silent Diesel Generators. Our team of experts are available to assist you with installation, maintenance, repairs, and upgrades for all Silent Diesel Generator models. Our technicians are certified and experienced in all aspects of generator operations and can provide you with the highest quality service.

Our team of experts are available to answer any questions or concerns you may have so you can get the most out of your Silent Diesel Generator. We provide quick and reliable support to help you resolve any issue quickly and efficiently. We also offer a wide range of after-sales services, such as preventive maintenance, warranty repairs, and upgrades.

If you have any questions or need any assistance, please don't hesitate to contact us. We are dedicated to providing the highest quality technical support and service for Silent Diesel Generators.

Packing and Shipping:

Packaging and Shipping

Silent Diesel Generator is shipped securely to the customer. All components are packed in a strong box and the generator is secured inside with foam and bubble wrap.

The generator is shipped with the necessary instructions and user manual, as well as a set of tools needed for installation and maintenance.

The shipping box is labeled with the product name, model number, and customer information. The generator is also inspected for quality assurance before it is shipped.

FAQ:

Q: What is the brand name of the Silent Diesel Generator?

A: The brand name of the Silent Diesel Generator is Minlong.

Q: Where is the Silent Diesel Generator manufactured?

A: The Silent Diesel Generator is manufactured in China.

Q: Does the Silent Diesel Generator have ISO9001 certification?

A: Yes, the Silent Diesel Generator has ISO9001 certification.

Q: What is the minimum order quantity for the Silent Diesel Generator?

A: The minimum order quantity for the Silent Diesel Generator is 1.

Q: What is the price of the Silent Diesel Generator?

A: The price of the Silent Diesel Generator is negotiable.
